14 Meeting the Future on Campus

Electronic delivery of instruction, sustainability, and of course, financial considerations, continue to shape the direction of higher education as industry experts and campus administrators share their outlooks on what the future holds.

FACILITIES

24 A Growing Problem

Deferred maintenance lists are growing as facilities managers try to do more with less and still keep their campuses running smoothly.

Janet Wiens

75 Shaping Up Community Fitness Centers

Campus fitness centers can be a useful revenue stream when made available to the community, but be sure to understand what doing so entails.
